

PARTNERS
ENVIRONMENTAL

John Garvey, C.P., P.G., has joined our firm as Director of Brownfield Services. John brings over 20 years of experience in managing environmental property assessments to our firm, with emphasis in the areas of due diligence, contaminant fate and transport modeling, and risk assessment for new development and urban redevelopment projects. John is also a Certified Professional under Ohio's Voluntary Action Program (VAP) and has obtained Covenant Not To Sue (CNS) and Urban Setting Designations (USDs) determinations for his Clients.
